

Blue Dolphins

Swimming since 1972

Thank you for choosing the Blue Dolphins as your swim team. Starting out can be confusing so please don't hesitate to contact your coach if you have any questions.

REGISTERING

The first step is to register with the team, USA Swimming, and Florida Swimming. This is done by filling out the 2011 registration form available from the team website. Please remember to include a birth certificate for new swimmers and a check for \$92.

TEAM WEBSITE

We do have a fairly interactive website. You will enter meets, check account balances, look up best times, and get updated information all through the website. www.bluedolphins.com You will receive a password when you register and then will be able to sign in to update and interact with your account

MEETS

We usually attend one meet per month. Registration for the meets are up to the swimmers and parents by signing in on our team website under the *events* section. Talk to your coach if you have any questions about what to swim. There is usually a meet fee of \$7 +\$3 per swim. This is charged by Florida swimming and the host club and not under Blue Dolphins control. Fees for meets will be included in monthly invoices.

MONTHLY FEES

(Oviedo only, Winter Park are all handled through Coach Kevin)

Monthly coaching and pool rent fees will be invoiced and emailed on the 21st of each month for the following month. Example is April fees will be invoiced on March 21st. All fees are due on the 1st of each month.

This will include meet fees and any other fees associated with that month. You can sign in and check your account at any time.

INVOICE PAYMENT SETUP

After signing in, you will have to choose a payment type. The options are ACH (automated checking) or credit card. There are no additional fees for these. Please let us know if you have any issues with the system.
